

Activitat 7

Solve the riddles. They all refer to the vocabulary you learned in the previous activity.

I'm a big and strong animal.
I've got two wings and a tail.
Be careful when I dance!
I could even burn your face!

I'm really tall and big in size.
I come from Medieval times.
I've got a very beautiful wife and
we dance right and tight!

We make the loudest noise of all.
we've got big weapons, a *barretina* and a waistcoat.
So, when you hear our sound,
cover your ears and open your mouth!

Although I'm a wild animal,
I lived here in the past.
I've got antlers on my head
and I'm the symbol of your place.

Although we are wild animals,
children are our best friends.
We always go together,
jumping and running in parades.

We've got a very big head,
a small body and short legs.
We always dance, jump, smile
and play tricks on everyone!
